Glasses

Please note that children cannot wear normal glasses when playing or training. They need to wear sports goggles which can be prepared with prescription lenses, but which will prevent any injuring during play or training. Opticians such as Specsavers sell sports goggles and you should contact them directly for information.

Jewellery

Please remind your child that all jewellery, metal/plastic hair band and grips, wrist bands and watches must be removed before taking part in training or matches. Note that taping over ear studs etc, is not acceptable. This a mandatory FA rule and by ensuring that your child knows beforehand it will save everyone any possible embarrassment at training or on match days.

Injury

Parents are advised to ensure that they take out adequate insurance cover for any potential loss or earning from looking after a child should they suffer and injury (e.g. broken limb) whilst taking part in any football activity in connection with the club. All due care and attention will be taken by members of the club whilst all children are in their care and an accident book will be used to log any injuries, accidents or incident that requires treatment of any kind, and parents will be asked to sign the relevant log.

What can You do for Cholsey Bluebirds ?

During the season our tuck shop raises vital funds to pay for referees and energy costs for our pavilion. On match days it is run entirely by the parents of the teams on a rota basis. Your ongoing support will be very much appreciated.

Any help setting up goals/respect barrier before and clearing them away after a match is very much appreciated.

Also, at our end of season Summer Tournament, our main fund-raising event, we rely entirely on parents and volunteers to help with preparation during the week before, man the refreshment tent and BBQ over the weekend and help with clearing up on the Sunday afternoon.

Is there anything else you can do to help Cholsey Bluebirds?

- *Maybe you would consider helping to run a team;*
- *Maybe you can help maintain the pavilion by providing resources and skills;*
- *Maybe your company can provide sponsorship for kit or sponsor an event.*
