Please give details of any medical conditions of your child if which the club and coaches should be aware : eg. Asthma/Allergies to any medications/food. NB: If this information changes at any time during the year, I WILL INFORM the MANAGER – parent.

Disability

The Disability Discrimination Act 1995 defines a disabled person as anyone with 'physical or mental impairment, which has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities'.

If you consider your child to have a disability, please let us know the nature of the disability and any relevant details.

PLEASE READ/COMPLETE these sections BEFORE finally SIGNING at the end of this form

Glasses

Please note that children cannot wear normal glasses when playing or training. They need to wear sports goggles which can be prepared with prescription lenses, but which will prevent any injuring during play or training. Opticians such as Specsavers sell sports goggles and you should contact them directly for information.

Jewellery

Please remind your child that all jewellery, metal/plastic hair band and grips, wrist bands and watches must be removed before taking part in training or matches. Note that taping over ear studs etc, is not acceptable. This a mandatory FA rule and by ensuring that your child knows beforehand it will save everyone any possible embarrassment at training or on match days.

Injury

Parents are advised to ensure that they take out adequate insurance cover for any potential loss or earning from looking after a child should they suffer and injury (e.g. broken limb) whilst taking part in any football activity in connection with the club. All due care and attention will be taken by members of the club whilst all children are in their care and an accident book will be used to log any injuries, accidents or incident that requires treatment of any kind, and parents will be asked to sign the relevant log.

OUR EXPECTATIONS and What YOU as PARENTS/GUARDIANS can do to support your Team and The CLUB as a whole

During the season our tuck shop raises vital funds to pay for referees and energy costs for our pavilion. On home match days it is run entirely by the parents of the teams on a voluntary rota basis. Your ongoing support in being included in the rota is essential for the benefit of the Club.

Help in setting up goals/respect barriers before and clearing them away safely, including storing them in allocated places within our Pavilion, after a match, is not only very much appreciated, but expected, as managers will be busy speaking to officials and their team. Your manager will demonstrate how to erect and take down the goals, together with how and where they should be stored. This is very much an important role as in the past, parts of goals have been damaged, lost or not put back correctly, resulting in inconvenience and frustration when erecting them for the following week. Also, the changing room and container have over time, become a bit of a mess, causing safety issues.

At our end of the season, we hold our Summer Tournament (last weekend in May). This is our main fund-raising event and we rely entirely on parents and volunteers to help managers with the preparation during the week before, man the car park, refreshment tent or BBQ over the weekend (morning or afternoon your child's team is playing) and help with clearing up on the Sunday afternoon if possible. You are asked to volunteer your time and talents in any way you can.

Is there anything else you can do to help Cholsey Bluebirds FC ?

- 1) Possibly you could consider helping to run a team;
- 2) Possibly you can help maintain the pavilion by providing resources and skills through your type of business. (eg. need storage shelving & kitchen re-vamp);
- 3) Possibly your company/business (or you as an individual):
 - A. can provide sponsorship for kit/equipment/trophies;
 - B. sponsor an event;
 - C. place an advert in the Tournament Programme;
 - D. donate a Prize for the Tournament Raffle & Auction (NB: we share the proceeds equally between the Club and a local good cause – the last 4 years it has been The Thames Valley Air Ambulance – raised over £1900 for them).

If you are able to support the TEAM/CLUB in any of the above ways, please let your child's manager know and make a note below for your reference

Please visit our website for more ideas at www.cholseybluebirdsfc.co.uk

I have offered to help in the following ways :

- 1. To be included in the Tuck Shop Rota at home matches (applies to all teams up to the U14s);
- 2. To be one of a team of Parents/Guardians helping to put up and/or take down the goals at home matches;
- 3. If available, help with the preparations for our Tournament the week leading up to it, especially the Thursday & Friday evenings;
- 4. Help man the Car Park/Refreshment Tent/BBQ at our Tournament with sessions lasting no more than 45 minutes during the afternoon/morning your child is playing.
