## Medical details – VERY IMPORTANT

Please give details of any medical conditions of your child for which the club and coaches should be aware : eg. Asthma (has an inhaler) / Allergies to any medications or food.

**NB: If this information changes at any time during the year, IT WILL THE PARENT/GUARDIAN'S RESPONSIBILITY TO INFORM the MANAGER in writing or by e-mail, NOT orally.**

## Disability

The Disability Discrimination Act 1995 defines a disabled person as anyone with *'physical or mental impairment, which has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities'*. If you consider your child to have a disability, please let us know the nature of the disability and any relevant details as appropriate.

**PLEASE READ/COMPLETE these sections carefully BEFORE finally SIGNING at the end of this form**

## Glasses

Please note that children cannot wear normal glasses when playing or training. They need to wear sports goggles which can be prepared with prescription lenses, which will reduce any risk of injury during a match or training. Most reputable Opticians sell sports goggles and you should contact them directly for information.

## Jewellery

Please remind your child that all jewellery, metal/plastic hair band and grips, wrist bands and watches must be removed before taking part in training or matches. Note that taping over ear studs etc, is not acceptable. This a mandatory FA rule and by ensuring that your child knows beforehand it will save everyone any possible embarrassment at training or on match days.

## Injury/Insurance – your child is covered for training & matches under our Club Policy

Parents though, are advised to ensure that they take out adequate insurance cover for any potential loss of earnings from looking after a child should they suffer an injury whilst taking part in any football activity connected with the club. All due care and attention will be taken by members of the club whilst children are in their care and an accident book will be used to log any injuries, accidents or incidents that require treatment of any kind. Parents, if in attendance at the time, will be asked to sign the relevant log.

## **Club expectations and what YOU as PARENTS/GUARDIANS can do to support your TEAM and The CLUB as a whole**

- During the season our tuck shop raises vital funds to pay for referees and the running costs of our pavilion. On home match days it is run entirely by the parents of the teams on a voluntary rota basis. Your ongoing support in being included in the rota for manning the tuck shop (making drinks/selling sweets/cooking bacon rolls/clearing and washing up) is essential for the sustainability of the Club.
- Help in setting up goals/respect barriers before matches and clearing them away safely, including storing them in allocated places within our Pavilion/Containers. This is not only very much appreciated but vital, in order to allow managers time to speak with the referee and opposition officials, as well as their team. Your manager will demonstrate how to erect and take down the goals, together with how and where they should be stored.
- This is very much an important role as in the past, parts of goals have been damaged, lost or not put back correctly, resulting in inconvenience and frustration when erecting them for the following week. Also, if equipment is not put back correctly, the changing room and containers can, over time, become a bit of a mess, often causing unnecessary safety issues.
- At our end of the season, we hold our Summer Tournament. Next year it will be held on Sat 28<sup>th</sup> & Sun 29<sup>th</sup> May 2022 – the week before the Queen's Platinum Celebration over 4 days. This is our main fund-raising event and we rely entirely on parents and volunteers to:
  1. help managers and the committee with the preparation during the week before;
  2. man the car park, refreshment tent and BBQ over the weekend (morning or afternoon your child's team is playing);
  3. and help with clearing up on the Sunday afternoon.
  4. You are asked to volunteer your time and talents to support this vital activity and your manager will provide details of how you can help nearer the time.
- The Club will also ask parents/guardians to help out at any other Club event during the season (such as helping at the bar when we have our Presentation Evening in June).
- We hold a FUN QUIZ EVENING, usually the end of February or early March. All parents and supporters are most welcome – maximum of 15 tables of 6.
- Also at the Tournament we hold a Charity Raffle – proceeds shared equally between the Club and a local "good cause" – we have raised over £5000 over the past few years. You are asked to support your Team's Raffle Prize Hamper with each family donating an item.

### **Is there anything else you can do to help Cholsey Bluebirds FC ?**

- 1) You could consider helping the manager to run a team (coaching/admin);
- 2) You can help maintain the pavilion by providing resources and skills through your type of business. (eg. storage shelving, plumbing, electrical issues, etc.);
- 3) Your company/business (or you as an individual):
  - A. could provide sponsorship for kit, equipment or Tournament trophies/referees/pitches;
  - B. sponsor an event;
  - C. place an advert in the Tournament Programme;

If you are able to support your TEAM and the CLUB in any of the above ways, please let your child's manager know and/or contact the Chairman ([marktoal@hotmail.co.uk](mailto:marktoal@hotmail.co.uk), 07734438910)
